Language: English Brand New Book ***** Print on Demand *****.Excerpt from School Hygiene and the Laws of Health: A Text-Book for Teachers and Students in Training The matter upon which this book is founded, formed the basis of a course of lectures delivered to the teachers acting under the Education Committee of Sheffield and the students of the Sheffield Training College. Some of those, who attended the lectures being kind enough to consider them of value in connection with their school work, it was determined to arrange them in book form, in the hope that the information they contained might be of assistance to teachers elsewhere. The idea of the Education Committee in arranging for the course of lectures, was to afford the teachers an opportunity of acquiring such information as might assist them in protecting the health of the school children. It was desired that the course might include instruction, not only in what have been called the laws of health, which the teachers might in turn impart to the children, but also hints on the manner of detecting diseases likely to be met with in...
