Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

(Prof. Loyce Runolfsson Jr.)

Barrytown Ltd ,U.S., United States, 1998. Paperback. Book Condition: New. 229 x 153 mm. Language: English . Brand New Book. Fiction. David Green is a lecturer in English at Boston University. David Green s novel ATCHLEY furthers the contemporary dialogue between deconstructionist philosophy and postmodern fiction with the propounding of an engaging literary enigma: Has a certain author of Borgesian fictions invented the critic who writes about him, or has an ingenious critic invented the author about whom he has become a leading expert? Taken as a whole, ATCHLEY is a genuine inquiry into the relationship between two styles of writing, two uses of mind, and two ways of being -- Charles Stein, author of THE HAT RACK, (Station Hill Press).
