*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Marshall Method Publishing. Paperback. Book Condition: new. BRAND NEW, I Can't Get Over My Partner's Affair: 50 Questions About Recovering from Extreme Betrayal and the Long-Term Impact of Infidelity (New edition), Andrew G. Marshall, You'd think if someone was caught having an affair that they'd make a full confession. You'd think they would know if they wanted to stay or leave. You'd think they would be able to explain why they were unfaithful. You'd think that if they promised to 'fight' for their marriage that their actions would match their words. However, for lots of people recovery is not so straightforward and takes far longer than they would have imagined on discovery day. Sometimes the person who has been unfaithful vows to do 'anything' to make it better but the next day sabotages everything. Sometimes the discoverer of the infidelity is constantly besieged by horrible images or overcome with anxiety-even though they want to move forward. Sometimes the betrayal has been so great-several affairs, hook-up sites, prostitutes or cheating with a friend-that recovery is much harder. Alternatively, the couple's marriage was so close or they were childhood sweethearts that the pain is doubled and quadrupled. If you can't get over your partner's affair, it is easy to think that the pain is too great and you need to split up. However, Andrew G. Marshall has spent 30 years working with couples in crisis and has a message of hope. 'It's not that there's something fundamentally wrong with your marriage but you have been so profoundly hurt that you need extra help and to learn special skills to find a way round blockages.' In this compassionate book, he shares:* 50 case histories so you don't feel so alone in your struggle.* How to diagnose why you're feeling stuck.* The common myths...
