Excerpt: . . . Combined Assessment Program Review of the Robert J. Dole VA Medical Center, Wichita, Kansas resources. We also found that managers had appropriately documented nurse competencies. We determined that the ED complied with VHA operational standards, including staffing guidelines, cleanliness, and competency. However, the following area needed improvement: Inter-Facility Transfers. ED staff did not document specific inter-facility transfer data, as required by VHA and local 4 policy. The movement of acutely ill patients from one institution to another exposes them to risks. Failing to transfer patients may be equally risky. VHA has the responsibility to ensure that transfers into and out of its medical facilities are carried out appropriately to assure maximum patient safety and to comply with the intent of the Emergency Medical Treatment and Labor Act. None of the medical records we reviewed contained all the required documentation elements. During onsite interviews, ED staff located and identified their local inter-facility transfer policy, and...
