

Fast Forward Ethics and Politics in the Age of Global Warming Brookings FOCUS Book

By Strobe Talbott

Brookings Institution Press. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 8.5in. x 5.5in. x 0.1in. Fast Forward is equal parts science primer, history lesson, policy prescription, and ethical treatise. This pithy and compelling book makes clear what we know and don't know about global warming; why the threat demands prudent and urgent action; why the transition to a low-carbon economy will be the most difficult political and economic transaction in history; and how it requires nothing less than a revolution in our sense of civic responsibility. William Antholis and Strobe Talbott guide the reader through two decades of climate change politics and diplomacy, explaining the national and international factors that have influenced and often impeded domestic climate legislation and global negotiations. Recent United Nations-sponsored summits have demonstrated that the world cannot wait for a binding global treaty. Instead, the authors believe that the Big Four of America, the European Union, China, and India must lead the way forward. They recommend a new international mechanism modeled on the General Agreement on Tariffs and Trade that would monitor national commitments and create incentives for other countries to coordinate their efforts to cut emissions. Antholis and Talbott put their recommendations for legislative and...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
