The imperfect are not just the many that are born in ignorance and fostered by faulty sensitivity but all unable to find their innocence and maintain the logical. Affliction is a virtue if the motive is innocent and reasonable! The turning points of life are not always exciting, so, most of us exit before reaching its boiling point. The major turning point of life marks the commencement of circumstances inspired by each individual's originating purpose! Every life is a child of a unique purpose. Confusion comes when such purpose is not understood, followed and fulfilled. Some experience it in bereavement, others in enslavement, loneliness, sickness, betrayal, misfortune or failure. Significantly, negativity defines the face of that phase. The journey of fulfilment begins after the passage of that stage.
