Point of Sync academy is bringing you The Sequence, a 6-module advanced personal development and business master course with 3-stage business model bonus. This groundbreaking program is designed to enable every person on this planet to reach what is known as the point of sync. It s the result of two decades long research, experience and successful repeated execution of its concept. In short, the process of alteration and adaptation consists of these 5 main elements: 1) Complete understanding of the monetary society in order to fine tune your strategies and actions. Youve been taught wrong or not at all. Make no mistake; you have to further optimize your responses and actions. 2) Understanding the importance of time as the most valuable asset; the one thing you cannot get back or earn again. Once you understand, youll go through exercises in order to further forge your skills and master the time management. 3) Understanding the principle purpose of money which will be followed by learning exercises in order to master the proper...
