

The Sacred Vault

By Andy McDermott

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, The Sacred Vault, Andy McDermott, The sixth brilliant book from Andy McDermott - Clive Cussler's heir apparent. The world is in shock when Michelangelo's David is stolen from a museum in Florence, Italy. The latest in a series of audacious thefts of historical treasures, it's only a matter of time before another priceless artefact is targeted. When the Talonor Codex - a great Atlantean explorer's account of his travels - is stolen, it becomes clear that the thefts form only part of the raiders' ultimate plan. The codex holds clues to the location of the Vault of Shiva and its fabled contents - the legendary Shiva-Vedas, the chronicles of the ancient Hindu god of destruction. Witnesses to the latest daring robbery, archaeologist Nina Wilde and former SAS soldier Eddie Chase are forced into a treacherous hunt across the world to discover the vault before its secrets fall into dangerous hands. The vault's prize is a treasure beyond price, but it may also be the catalyst for global annihilation.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
