RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 84 pages. Original publisher: Washington : U. S. G. P. O. : U. S. G. P. O. , Supt. of Docs. , Congressional Sales Office, distributor, 2000 i. e. 2001. OCLC Number: (OCoLC)46392876 Subject: Terrorism -- South Asia. Excerpt: . . . 11 In our annual report to Congress this year, Patterns of Global Terrorism, 1999, we describe the shift in some detail. This was one of the two trends we identified as the most important recent developments in terrorism, the other being the shift from well organized and hierarchical groups supported by state sponsors of terrorism to the loosely organized international networks of terrorism that are often able to raise funds and sustain themselves by smuggling narcotics trafficking, kidnapping, extortion and other types of fund raising. Mr. Chairman, I just returned from the Philippines and before that Colombia, where this new type of terrorism is manifesting itself in a very dangerous way. It was very troubling for American interests in both of those countries of longstanding importance to the United States. I purposely addressed the trends that I alluded to earlier on the very first page of my introduction in this report to show the importance of these trends, and the increased willingness and ability of terrorists to seek refuge in South Asia are disturbing developments. They require us to refocus our diplomatic energies and policy tools as well. I have a fairly lengthy written statement that I will submit to the record, Mr. Chairman, and I will briefly cover some of the main points of that statement in my oral remarks this morning. Chairman G. So ordered without objection. ILMAN HEEHAN Ambassador S. Mr. Chairman, I will talk about three areas this morning in my oral...
