Taylor Francis Inc, United States, 2013. Hardback. Book Condition: New. 236 x 158 mm. Language: English . Brand New Book. When Secretary of State Hillary Clinton published America's Pacific Century in Foreign Policy magazine in November 2011, the administration was clearly indicating to domestic and international audiences that the United States is beginning a pivot toward the Asia-Pacific. Clinton's article served as a spark for renewed interest in the nation's Asia-Pacific strategy and American interests in the region. The Asia-Pacific Century: Challenges and Opportunities looks to the future of the Asia-Pacific and examines a broad range of questions that focus on diplomatic, economic, and military challenges facing the region's key players, with a particular focus on their relevance to the US military.

An extremely wonderful pdf with perfect and lucid information. Better than never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
