

Natural Magic (New edition)

By Doreen Valiente

Robert Hale Ltd. Paperback. Book Condition: new. BRAND NEW, Natural Magic (New edition), Doreen Valiente, Magic is all around us - in stones, flowers, stars, the dawn wind and the sunset cloud. All we need is the ability to see it, understand it, and apply it. Natural Magic explains how to practise the age-old white magic that village wise women have used for centuries. It deals with the magic of herbs and flowers, of the four elements, of numbers and colours, amulets and talismans, how to read cards, how to interpret dreams, and much more. There are chapters on the secrets of sex magic, and on the use of traditional spells. If you want to learn to charm warts, to cast a love spell, or to plant a magical garden, this book will tell you how. An essentially practical treatise, which sets out to show how magic can be for everyone, and how, indeed, it has always been inherent in human life and nature. Both those who are new to the practice of magic and those with experience will find it delightful reading and an informative handbook for use in daily life.

Reviews

This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.

-- **Mr. Grant Stanton PhD**

A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).
