DELIVERING DOCTOR AMELIA (PAPERBACK)

Random House USA Inc, United States, 2004. Paperback. Book Condition: New. Reprint. 198 x 119 mm. Language: English . Brand New Book. Voices are a soul s signature, says psychologist Dan Shapiro, who in his daily practice hears plenty of them. For all his expertise, he admits he s still terrified that someone will keep something from me, and when they tell me the truth, I ll be useless. Treating other physicians has become one of Shapiro s specialties. When the obstetrician Amelia Sorvino seeks his help distraught that her own medical error could have injured a patient s baby Shapiro finds his talents as counselor and healer pushed to their limits. Session by session, he works to discover the sources of Amelia s anguish--for his own sake as much as hers: he s familiar with the burden of a doctor s guilt, and he has seen how loss and trauma, if unchecked, can echo from generation to generation in a family. In this probing, intensely personal memoir, the words Physician, heal thyself assume a fresh and moving urgency.
