### THE QUAKER BOY ON THE FARM AND AT SCHOOL (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Quaker Boy on the Farm and at School Within it wandered immense numbers of deer and not a few elk. The only animals of prey were the small wolf and the black bear, neither dangerous under ordinary conditions. The marshes abounded in waterfowl, and at certain seasons wild pigeons and other migratory birds could be captured in abundance by throwing stones into the flocks. There were turkeys, pheasants, and partridges. Shad and other sea-fish were plentiful in the river, and the little streams were amply stocked with trout. Nor were the settlers unworthy of their possessions. A few men of rank and education began a life of trade in the towns, burying their coats of arms as unworthy a Christian democracy. But the greater part were British yeomen, some landowners in their native country, the most of them renters who had loaded all their furniture, plate, clothing, and in some cases framed houses, into the little sailing vessels, and set out on the two or three months voyage to the free land which the foresight and generosity of William Penn had secured. They had shown their capacity to suffer by lying months and years in British dungeons for a point of conscience, small perhaps, but which, because it was conscience, they had persisted in thinking was worth more to them than property or liberty or life. They had shown their fraternity by offering themselves - man for man and woman for woman - for their unfortunate brethren who were about to die for conscience sake in the horrible pest-holes of England. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic...
