Just like natural laws, there are spiritual laws with cause and effect. God set the universe in motion with the power of His words and established the law of confession, but many believers have suffered needlessly by misunderstanding the power of their words. Have you? Dr. Bill Winston, pastor, Bible teacher, and host of the national television program Believer s Walk of Faith broadcast to over 100 million homes, reveals scriptural examples and real life examples of the importance of the spoken word. Uncover the enemy s deceptive plan to use your own words against you and what you can do to turn your situation around.
