Curtains: Windows on the Unreality We Live in (Paperback)

By John Briggs

Between Lines Books Arts, LLC, United States, 2015. Paperback. Book Condition: New. 203 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Curtains is a dizzying photographic foray into the hidden realities lurking in the folds of puddled curtains that the photographer, John Briggs, found in windows of a central London office building. The photographer puts the curtain folds through simple transformations that result in strange creatures and eerie landscapes. World-renowned black and white photographer Paul Caponigro has called the 32 pages of the curtain series innuendos for the eye. Eric Lewis, composer and violinist of Manhattan String Quartet and Prometheus fame calls them alluring mysteries of abstract, like sensuous musical shapes formed in the mind and filled with undefinable feelings. The photographer himself wonders playfully (but perhaps seriously) if the folds of these curtains are examples of what is hidden in plain sight all around us, alternative versions of the marvelous unreality we live in. The book includes an introduction in which Briggs, who has a Ph.D. in aesthetics, also discusses the nature of abstract art.

Reviews

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.

-- **Curtis Bartell**

The book is straightforward in study better to comprehend. It is really simplistic but unexpected situations in the fifty percent of the ebook. Its been written in an exceptionally simple way which is simply after i finished reading through this ebook in which basically altered me, affect the way i really believe.
