Brand New Book ***** Print on Demand *****.Excerpt from The Health of Schools: Papers; Read Before the American Social Science Associations, at Detroit, May, 1875 In answer to a call issued from the Department, a public sectional meeting was held during the whole of the 12th and half of the 13th of May, at which were read completed and authorized reports from the committee of the Department, upon two subjects; viz., The Nervous System as injuriously affected by Schools, and School Gymnastics. Brief communications, made in response to an urgent public demand for information, were also presented by the Department, concerning Defects of Sight, the Care of the Eyes, Medical Supervision of Schools, Systematic Inspection of Schools, Statistics of Sanitary State of Schools, Statistics of Rate of Growth of School-Children, and School Architecture. The latter series of papers must be considered as provisory, rather than as containing the full expression of the Department s opinion. The Secretary s Report, explaining more fully the character of the work done, was read without debate, at the first general session of the Association, on the evening of...
