Association for Supervision & Curriculum Development. Paperback. Book Condition: New. Paperback. 197 pages. Dimensions: 8.9in. x 6.9in. x 0.6in. Co-teaching is an equal partnership between a special education teacher and a general education teacher. They share a classroom and responsibilities for teaching all students in the class. Concise and informative answers to questions posed by real teachers, administrators, and parents help you learn about the components of co-teaching. And vignettes about issues that arise in co-teaching situations will help you start conversations and solve day-to-day challenges inherent to co-teaching. Whether you're already involved in co-teaching programs or are soon to embark on the effort, *Teaching in Tandem* provides knowledge and tools...
