

It Doesn't Have to be Like This: Global Economics - A New Way Forward

By M. Legum

Wild Goose Publications. Paperback. Book Condition: new. BRAND NEW, It Doesn't Have to be Like This: Global Economics - A New Way Forward, M. Legum, Margaret Legum not only analyses the current economic situation with devastating effect, but also suggests many new measures and steps that could be taken to start the world back on a path to the humanisation of economic policies. So if you are longing to do something constructive about the current situation and who need to be armed with the facts in order to do so, this is the book to read before you write your political representatives, get out on the streets to protest or initiate positive local alternatives.

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.
