SAGE Publications Inc, United States, 2009. Paperback. Book Condition: New. 251 x 178 mm. Language: English . Brand New Book. A greatly needed book at a time when creativity, curiosity and problem solving are moving over to make room for high-pressure academics. Loaded with good ideas for activities. The author s creativity shows! - Janet Gonzalez-Mena, Consultant and Early Childhood Specialist Author, Dragon Mom and Diversity in Early Care and Education Patricia Dischler s hands-on experience and love of early learning radiate throughout Teaching the 3 C s. As a defender of childhood, I am most impressed by the way she promotes play, exploration, and discovery in simple and engaging ways. Put down the video games, turn off the TV, and pick up this book - Jeff A. Johnson, Owner Explorations Early Learning LLC Research shows that children with positive social skills, a creative nature, and a love of learning are more likely to experience success in later school years. However, today s emphasis on early exposure to academic content means little attention is given to developing the affective skills that can make a critical difference in a child s future. Based on her extensive experience in early childhood education, Patricia A. Dischler bridges the gap and demonstrates how incorporating the three Cs-creativity, curiosity, and courtesy-into classroom instruction can support the development of academic skills. This resource shows how to promote school readiness by giving children a desire to learn, teaching them how to learn, and nurturing empathy, emotional intelligence, and problem solving. The book provides: - Abundant activities that are fun, easy to use, and developmentally appropriate - Engaging sidebars highlighting teacher/student dialogue - Methods for integrating the 3 Cs into the curriculum and meeting state standards Recommendations of related children s books. Practical, insightful, and brimming with wisdom,...
