

## The High Price of Socialized Medicine: A History of Government Meddling in American Health Care, and How a Free Market Would Solve Our Problems (Paperback)

By Dr James W Brook

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm.

Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.

American health care is so expensive because of unrestrained free markets, right? Dr. Brook used to think so, until he learned the truth in his medical training. He was an unabashed supporter of socialized medicine, until he saw what socialism was doing to the people it was supposed to be helping, and to the country as a whole. He changed his tune completely during medical school, and opened a family practice that operates as closely to free market principles as possible. The result? Affordable, thorough care brought to those people that the main-stream media say have no access to health care. This book explains what Dr. Brook learned that changed his attitude. It is the result of his years of training and experience as a doctor, and extensive research. How would we know what a free market would do to health care? We have not had one in many decades. We have layer upon layer of government regulations which strangle the efficiency of health care delivery. Obamacare is just the latest layer, although a very...
