Death in Siberia

By Alex Dryden

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Death in Siberia, Alex Dryden, The Cold War is dead but Russia's ambitions continue to rage. The Kremlin is holding its leading nuclear physicist prisoner at a military facility above the Arctic Circle. The reason? Professor Kryuchkov's ground-breaking discovery could save the world and destroy Russia's economy. Former KGB agent Anna Resnikov is sent from America to confirm or deny rumours of Kryuchkov's breakthrough. But the physicist has already taken action. And when police detective Alexei Petrov discovers the formula hidden on a corpse, he is desperate to decipher its meaning. Following Anna Resnikov to the Arctic city of Norilsk, their linked fates end in a thrilling, terrifying climax in the icy wastes of Russia's northernmost territories.

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better than never, though I am quite late in starting reading this one. Your lifestyle span will probably be converted once you complete reading this publication.

-- **Dr. Kadin Hane DVM**

This publication may be worth purchasing. It was actually written quite flawlessly and valuable. I am just happy to tell you that this is actually the very best book I actually have studied inside my personal life and can be the best ebook for actually.

-- **Frank Nienow**
