

Weather for Dummies

By John D. Cox

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Weather for Dummies, John D. Cox, What's going on up there when the rain falls, when the wind blows, when the clouds roll in and the lightning flashes? How do hurricanes arise and where do tornadoes come from? Why do seasonal conditions sometimes vary so much from one year to the next? Our ways of life, our very existences depend on knowing the answers to questions like these. Economies have been wiped out, civilizations have risen and fallen, entire species have come into being or gone extinct because of a temperature shift of just a few degrees, or a brief shortage or glut of rainfall. With so much riding on the weather, it makes you wonder how you've lived this long without knowing more about it. Don't worry it's never too late to find out about what makes the weather tick. And there's never been an easier or more enjoyable way to learn than Weather For Dummies. In know time, you'll know enough of weather basics to be able to: * Identify cloud types * Make sense of seasonal differences in the weather * Understand what causes hurricanes, tornadoes,...
