Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.They, who to states and governors of the Commonwealth direct their speech, High Court of Parliament, or, wanting such access in a private condition, write that which they foresee may advance the public good; I suppose them, as at the beginning of no mean endeavour, not a little altered and moved inwardly in their minds: some with doubt of what will be the success, others with fear of what will be the censure; some with hope, others with confidence of what they have to speak.
