

Michael Collins and the Civil War

Filesize: 5.05 MB

Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

The Mercier Press Ltd. Paperback. Book Condition: new. BRAND NEW, Michael Collins and the Civil War, T. Ryle Dwyer, On 14 April 1922 a group of 200 anti-Treaty IRA men occupied the Four Courts in Dublin in defiance of the Provisional Government. Michael Collins, who wanted to avoid civil war at all costs, did not attack them until June 1922, when British pressure forced his hand. This led to the Irish Civil War as fighting broke out in Dublin between the anti-Treaty IRA and the Provisional Government's troops. Under Collins' supervision, the Free State rapidly took control of the capital. In 'Michael Collins and the Civil War', Ryle Dwyer sheds new light on Collins' role in the Civil War, showing how in the weeks and months leading to the campaign he secretly persisted with guerrilla tactics in border areas. This involved not only assassination but also kidnapping and hostage taking. In confronting those tactics on behalf of the British, for instance, Winston Churchill engaged in similar behaviour, including killing and hostage-taking. But until now much of this has conveniently been swept under the carpet of history.
