Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Modern Views on Matter: Delivered in the Sheldonian Theatre, Oxford, June 12, 1903 The nature of matter has been regarded by philosophers from many points of view, but it is not from any philosophic standpoint that I presume in this University to ask you to consider the subject under my guidance. It is because new views as to the structure and properties of what used to be called the ultimate atom are now being born, and because these views, whether they succeed in ultimately establishing themselves in every detail or not, are of surpassing interest, that I have chosen this very recently deciphered chapter of science as the subject-matter for the lecture to be given this year in remembrance of a man whom I knew as a friend, and whose mind, if he had been alive to-day, would have been widely open to these most modern developments of Physical Science. Nor would the admittedly speculative character of some of the hypotheses now being thrown out have deterred him from hearing about them with the keenest...
