

Change Makers: Four Stories

By Carla Brooks Johnston

Parlance. Paperback. Book Condition: New. Paperback. 252 pages. Dimensions: 8.0in. x 5.2in. x 0.6in.1940 - 2011 Up to her last days Carla B. Johnston worked on editing proofs of this book, leaving it as a legacy of how to make our communities and the world a better place. She hoped that the true stories in this book would encourage readers to become change makers, to join the ordinary people in this book who became extraordinary by getting involved in solving the problems of the worlds in which they lived. Carla believed that each of us can be a change maker, simply by talking with friends, engaging with our communities, working with the media and working with those that have the power to make things happen--our elected officials. Each of us can bring about meaningful, sustainable and lasting changes to improve our communities and the world. DESCRIPTION: Carla Brooks Johnstons memoir, Change Makers, tells true stories of significant public policy changes accomplished because ordinary people got involved. Most people complain about politics and do little to enable lasting change. We dont have a clue how to fix anything. So we elect people, toss them out, and picket more. Ordinary people at...

Reviews

This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.
