The ABCs of You: Volume One (Paperback)

By Randall Bjork

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Large Print. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.This A-to-Z guide to human anatomy introduces kids to their bodies using medically correct terminology.

Written for children ages six through thirteen, The ABCs of You demystifies the medical lexicon, helps expand vocabularies, and offers a unique, kid-friendly window into how their bodies and minds function. Here, each letter of the alphabet stands for a selected anatomical, physiological, or philosophical concept that is summarized on a single pagewith a corresponding illustration on the adjacent page. The book is meant for children to read with an adult present to answer questions as they ariseand they most certainly will. After all, The ABCs of Youis meant to stimulate interest in the field of medicine. Children will be fascinated by the odd names of body parts like the frenulum, which connects the tongue to the floor of the mouth, and thezygomata, or cheekbones. Theyll learn where these body parts are located and what they doalong with some fun facts and some healthy habits associated with them. Providing straight talk about body functions, including several items about...

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
